This year is a “passive” enrollment for State Classified employees, which means current benefit elections carry into the next plan year. **Medical & dental premiums and plan designs are not changing for FY18-19.**

There is no action required to maintain current elections except for:

- **FSA:** You must re-enroll every year.
- **HSA:** If you are enrolled in an HDHP and have not yet opened an HSA with Optum Bank, you must do so to take advantage of the State’s \$720 contribution.
- **Medical Supplement Program:** Qualified employees must re-apply.
