## Welcome to the Small Acreage Services Database!

The source for Colorado landowners to search for contractors, equipment, and land management services.

CSU Ext. and USDA-NRCS are working together to provide avenues for landowners to find local small acreage resources and open an avenue for local contractors and suppliers to interact with rural customers.

Products/services are listed as a service to Extension clientele. CSU Extension does not guarantee nor warrant the standard of any products/services, nor does it imply approval of the product to the exclusion of others which also may be available, nor does it intend discrimination or criticism of products or providers that are mentioned or not mentioned. In addition, CSU Ext. assumes no liability for use of any product.
