CSU EXTENSION ONLINE DIRECTORY

From any page within the <u>CSU State Extension</u> website, look in the upper right corner of the page and you'll see a button that says "<u>Online Directory</u>".

SEARCH TOOLS

Once you access the <u>Online Directory</u>, please note that there are 3 ways to go about searching for people or county office information.

Search by location using the **Search Category drop-down menu**, search for names, keywords or keyphrases using the **search box**, or locate people by the first letter of their last name using the **A-Z listing**.

(Continued on next page...)

SEARCH CATEGORY DROP-DOWN MENU: You can search an entire County/Area/Region by using the Category drop-down menu. Each person is tagged with a category, which represents their location. Either scroll through the list or start typing a county, area, or region name and it will appear. Then click the location name to initiate the search to see a list of all individuals who work in that county, area or region.

learch for all staff associated wit number, address, or use any othe	th an Area, Region, or by Count tr search phrase using the text	ty by using the "Select Category" drop down menu below . Or search by name, phone box located to the right.

A-Z Search: By using the A-Z search links (actually it's an A-Y search because we don't have any employees whose last names start with 'Z'), you can search for people whose last name starts with the letter you clicked on. For instance, if you click on 'G', you'll see a list of all people whose names start with the letter 'G'.

Search for all staff associated with an Are number, address, or use any other search	ea, Region, or by County by using the "Select Category" drop down menu below. Or search by name, phone h phrase using the text box located to the right.
