Four ways to get reported data for a county, area, region, person, PRU, and/or key word

1. Click *Outputs*
   - Choose 2018 and click "go"
   - Select *Programs*
   - Select Delivery Methods
   - Select *Location(s)*
   - Show delivery summary – click *yes*
   - Click *"search"*

2. Click *Outcomes (Action)*
   - Choose 2018 and click "go"
   - Type in a PRU or other key word
   - Click *Search*
   - Click "*View Details*"
   - Click around until you get some data
   - This site shows related narratives, too

3. Click *People and Places*
   - Choose 2018 and click "go"
   - Select *Locations* at the top
   - Select locations to include
   - Click *"show locations"*
   - You will get a map of your county
   - Different dashboard views available at the top take you to charts and graphs
   - Use right hand column to change parameters
   - Text below shows outcome indicators – click on the magnifying glass for details

4. Click *Programs*
   - Choose 2018 and click "go"
   - Select *program*
   - Select specific location(s) if desired
   - Select detailed or summary report, showing outputs, indicators, narratives, and effort (or any combination)
   - *Submit*
