

## New Online Course

# Spanish for Animal Health and Care Fields

Learn to use Spanish in agricultural and veterinary settings.

Ideal for livestock farm managers and owners, veterinary professionals, or students who plan to pursue a related career.

## Credit and Noncredit Options Available:

### **Credit: LSPA 340**

Open to current CSU undergraduate students, or anyone who wants to earn college credit.

### **Noncredit: LGBB 2002**

Open to anyone who wants the course content without earning college credit. Earn a digital badge to place on your resume upon completion of the course.

**Prerequisite:** Novice to mid-level proficiency in Spanish required. Please contact instructors if you have questions.
