## JOIN US IN AN EXCITING OPPORTUNITY W/ AG CYNTHIA COFFMAN

Your students are invited to participate in an exciting program this September with Colorado Attorney General Cynthia Coffman!

- **Leading up to Constitution Day, September 17**, and throughout the month of September, Attorney General Coffman's office will take *and answer* questions on the U.S. Constitution from students throughout the state!
- The questions that will be asked and answered will come *exclusively from students*. **We are therefore looking for questions from your students!** Written responses will be provided to each question by the AG's office.
- Questions should work their way from individual teachers to their school principals, and finally to your Superintendent, who will then forward the questions onto **Andy McKean** by email at [Andy@LibertyDay.org](mailto:Andy@LibertyDay.org).
- Founded in 1996, **The Liberty Day Institute** is a 501(c)(3) nonprofit organization dedicated to educating youth on the U.S. Constitution and American government. The Institute is affirmatively nonpartisan and nonpolitical.
- We have also received grants to provide **FREE** civics resources to **5<sup>th</sup> grade** students and teachers throughout Colorado. Contact us today to find out how to obtain **pocket Constitutions**, Q&A flashcards, and other materials for you and your 5<sup>th</sup> grade students!

As Attorney General of Colorado, I am pleased to assist Liberty Day Institute in pursuing and fulfilling this mission. In particular, during the upcoming school year, I encourage you to once again collect questions about the U.S. Constitution from 5<sup>th</sup> grade students throughout the state," **said Attorney General Coffman**. "My office will diligently answer the students' selection of questions and I am happy to conduct another Google hangout video interview in which to personally answer many questions live."
