

PRU Plan of Work

Use this template to capture PRU program plans for the upcoming calendar year. A separate Issue Canvas should be used for each issue to be addressed *statewide, collaboratively, and for which behavior or condition change is a goal*. PRUs do not have to create an Issue Canvas for all issues addressed by PRU affiliates. (Similarly, not all PRU affiliates are expected to address every issue identified in a PRU’s set of Issue Canvases.)
