Parents who wish to earn their Hunter Education certification may also take the class IF there is room.

February 28, 2026, 8:00 a.m.-1:00 p.m. (Building & Range)

If our class fills up, you will need to take a class through DOW. If you are 8 and 9 you must take our class as DOW will not test kids under the age of 10.

Please read the entire packet and know your responsibility. To make it to the required classes. First year shooters you must attend a range safety class in each discipline you are taking. If your child does not have their Colorado Hunter Safety card, they must take a class and turn in a copy of their card. The practice dates, getting gate passes, getting coaches signatures on county fair entry forms, and paying all fees are your responsibility. We try send out information in the newsletter. Please read your newsletter every month. We are happy to have you as part of the 4-H Shooting Sports program. It takes everyone to make it work. Parents know your part as you have rules to follow as well. And, as always if you have questions, please call the Extension Office at 719-276-7390 or email your questions to csuext@fremontco.com.

Just a friendly reminder!

Shooting Sports is a project not a club. Practices do not count as club meetings. You must join a club and attend 50% of your monthly meetings from the date of your 4-H enrollment.

You must attend a minimum of 4 shooting sports practices on the range with an authorized shooting sports coach prior to the County Fair Entry deadline in order to participate in County Shoot. Don't forget to bring your entry form to practice for a coach to sign.

2025-2026

Fremont County Shooting Sports

Welcome—We're glad to have you in this project! The Shooting Sports coaches will work with all members. Remember that you must attend at least four practices in each of your disciplines with an approved coach in order to compete at County Fair Shoot. When you do, the coach will sign your County Fair entry form. Members are highly encouraged to shoot an entire round of at least 40 arrows, 25 shells, or 4 targets at each practice. It is your responsibility to contact the coach with questions about practice sessions or meetings.

IMPORTANT: Members are required to have a responsible adult with them at the ranges at all times. They are not to be dropped off and left alone to shoot at any time.

Shooting Sports Project Information

*Shooting Sports members must enroll in their chosen disciplines (air rifle, .22 rifle, shotgun, archery or muzzle loading) prior to enrollment deadline dates of each year and complete the required four practices in order to be eligible for the county fair shoot.

*Members should drop a discipline prior to June 1 or date declared as last official drop date if they are not going to complete in that discipline area.

NOTE: All first-year members must attend a safety class in each discipline in which they have enrolled, or they will not be able to participate in that shooting activity. It is highly recommended that all second-year members attend as well. Parent or guardian must attend with child. Discipline coaches may require second year and higher members to attend the safety class as well.

All shooters and volunteers must wear closed toed shoes while participating in Shooting Sports.

All Shooting Sports members must have a valid Colorado Hunter Education number prior to shooting with 4-H! Those classes are not the same as the discipline safety classes mentioned above. A copy of the Hunter Safety Card must be on file with the Extension Office. When you get your card, please bring your card in to be copied or email a copy to Kassundra.tracy@fremontco.com.

For 1st year Shotgun Shooters, they MAY only shoot skeet and sporting clays at a coaches' discretion if they can be safe after completing 4 practices.

Discipline Completion Requirements

To complete this project a member must complete the requirements listed under "Shooting Sports Competition" or "Shooting Sports Display" or both. Record books are required for both the competition and the display or stand alone. Members must complete a County Fair entry form for contest and/or display to compete at the Fair. If you are unable to compete at the Fair, there is a Final Completion Display Day in August at the Extension Office. Payment for shotgun range fees must be included with county fair entries. Contest entry forms must be signed by the appropriate coach for the discipline entered, indicating requirements have been met. Coaches will give the Extension Office a list of members who have met their requirements. As with all other project areas, Shooting Sports members must attend at least 50% of their club's scheduled meetings with minimum of 2 meetings, in order to complete their project.

Shooting Sports Display

Exhibit of records kept during the year and display illustrating a chosen aspect of skill area are required.

A. Each display must have a record book which relates to that discipline.

B. Display items should illustrate a chosen aspect of skill areas. This is separate from the competition events.

Individual exhibits can be a show board or stand-alone items (such as gun stocks, decoys, etc.) No live ammo, broad heads, knives or functional firearms allowed to be displayed.

C. Exhibits must be entered in discipline that exhibit relates to. The specific unit entered must be declared on the Shooting Sports entry form for fair.

D. Units will follow Colorado State Fair classes.

E. Exhibit requirements can be found at www.co4hshooting.org

Members who score below 70% will have one week from the date of judging to make corrections to their books to improve their scores. Depending on the State Fair entry deadlines, that date may be moved sooner. Shooting Sports Rule Reminders:

- 1) **A responsible adult must be present with 4-H members at practice.** After consulting with other Extension Offices, we are adjusting our clarification to this rule. To clarify this rule, all 4-H members 13 and under (4-H Juniors and Intermediates) must have a responsible adult present at practice. 4-H members 13 and under should not be dropped off and left alone to shoot. 4-H Seniors (14 and up) may be dropped off or drive themselves if at legal driving age. Please keep in mind that there are laws regarding minors transporting firearms in a vehicle thought. At any time, the Extension office or coaches may adjust to require an adult to be present if needed for safety concerns.
- 2) **Respect the Ranges:** Follow the speed limits when on the ranges. No running is allowed on the ranges. Please show respect for the rules and the coaches on the range. Coaches want to support you to be successful and also keep everyone else safe. Please do not park on the grass at Cactus Flats. Parking is limited but is available on both sides of the building at Cactus Flats. Please be mindful of leaving room for vehicles to exit when parking.
- 3) **Safety First:** Please keep in mind during the first few weeks of practice, safety is a primary focus at practice, and this does mean more focus may be on first year shooters.
- 4) **Asking for Help:** If you are a returning member, we absolutely want to support you as well as first year shooters, but we do ask you to understand that keeping the entire range safe is a number please ask coaches for any help you may need it. Coaches are identified with a white badge that says coach and their name.
- 5) **Archery Arm Guard Clarification:** Arm Guards are required to be worn on the range. - 6) **Shotgun Practices:** Only practice led by Certified 4-H Coaches count for the required 4 practices. If you choose to practice on another lane with other adults that is your family's choice. 4-H is only responsible for 4-H Coach lead practices. The 4-H Discount for Shotgun rounds apply any time not only during 4-H Coach led/scheduled practices.
- 7) **Dress Code:** We ask that 4-H members be dressed appropriately to safely participate in practice. Please make sure to wear close toed shoes, appropriate legwear for your discipline, and make sure upper body clothing covers skin when your arms are raised. Certified Coaches will have a white badge labeled coach. If you have any questions about the parent line, please ask a coach. Parents and 4-H members who are not shooting should not cross the parent line (observation line). If a child needs to speak with their parent, they can exit the range and come behind the parent line to talk with their parent. A parent should always clear it with a coach before entering a range or crossing the parent line. If a parent would like to talk with a coach, the coach can come behind the parent line to have a conversation with the parent.
- 9) **Pictures on Range/Helping Set Up:** Only when the range is being set up or closed when practice is over, are parents and members allowed past the observation line. Parents are welcome and encouraged to help with set up and clean up at the direction of the coaches. When a range is deemed cold (no more 4-Hers are actively shooting), a parent could ask to enter the range for a photo. If a parent wants to enter the range to take a photo for record book purposes, they must ask a coach and get permission from a coach to enter the range. You will fill out a paper entry form and turn it into the Extension Office stating exactly which classes you are entering for your project. You may be enrolled in Shotgun, but we will need to know if you plan to enter Sporting Clays, Trap, Skeet. Entry forms will be e-mailed out to everyone at the beginning of June and are due back to the Extension Office by June 30th.
